AN ORGANIZATIONAL LICENSE

An organization wide license with unlimited copies of the content, only to be used internally, is available from Ternarylogic LLC and can be obtained by contacting admin@ternarylogic.com .

THE VIDEO LECTURES

A set of 23 video lectures, with more than 10 hours of video, roughly covering the presentations, is available as a complementary addition to a license. The video files are in MP4 format and will be sent on a USB memory stick by request from admin@ternarylogic.com.

AN EDUCATIONAL LICENSE

A limited educational license to the package for educational institutions is available at limited cost of shipping and handling, but requires signing an educational license by an administrator. Please contact us at admin@ternarylogic.com.
